

OUR FAMILY OVERVIEW

Weekly Newsletter of Holy Family Parish - July 4, 2021

Please Note: Our Family Overview will be published every two weeks during the summers months.

Our next issue will be posted on July July 11, 2021.

SPECIAL CONSTRUCTION NOTICE

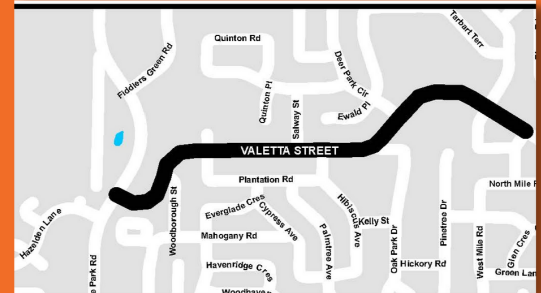

Commencing Monday, July 5, 2021 the City of London will be working on the 'Valetta St. Improvement Project', in our area to replace and improve the quality and reliability of water, sewer, and road infrastructure from Hyde Park Rd. to Adevon Ave as the map to the right shows the extent of the project. Construction is anticipated to be completed by late fall 2021 with some minor resurfacing asphalt work in 2022.

Once construction starts, the only access to the church parking lots will be from Deer Park Circle (Deer Park Circle is accessed from Freele Street or Juniper Street, both of which run south from Oxford Street). We hope and pray that it doesn't take five months to complete, as they have suggested!

Pedestrians - In order to complete the work in a safe manner, Valetta Street will be closed. Local pedestrians should exercise caution around construction sites and follow all construction signs.

Motorists - The street would remain open to local traffic only. There will be a few short-term disruptions to driveway access at different points in the project.

Cyclists should exercise caution around construction sites and follow all construction signs.

Proposed work details

- Curb and gutter replaced from Hyde Park Rd. to Hibiscus Ave.
- Replacement of all asphalt
- Removal of concrete road
- Replacing the watermain from East of Woodborough St. to Hibiscus Ave.
- Replacing some catch basins
- Replacing sections of sidewalk
- Replacing sections of curb

Some trees have been removed in preparation for this work, and new trees will be planted the following year by the City.

The street would remain open to local vehicle traffic with a few possible disruptions to driveway access at different points in the project. Lawns will be restored at the end of the project with topsoil and sod.

Access to the COVID-19 Assessment Centre will be maintained throughout construction. Commuters are advised to give themselves a little extra time when travelling to the Centre. For more information about the COVID-19 Assessment Centre, please visit the [LHSC website \(External link\)](#).
